1.

act one

The home of Cinderella, her step mother and step sisters.

The narrator, to one side of the stage, reads from an enormous story book.

The two ugly step sisters are in the lounge room relaxing. Cindy, looking exhausted, is scrubbing the floor.

NARRATOR #1:

This is the story of Cinderella, a pretty young girl who lives with her step-mother and two of the ugliest, most horrid step-sisters you would ever hope to see.

NARRATOR #2:

Young Cinderella works all day scrubbing, mopping and cleaning up after the two ... ugly ones. Life has not been kind to poor little Cindy.

Poor little Cindy. *(holding back the tears)* Poor little Cindy!! *(becoming slightly hysterical)* Poor! Poor! Poooooor, little Cindy.... I can't go on.

NARRATOR #1:

(to narrator #2) Pull yourself together. Everyone is watching. *(to audience)* Our story begins.....the two ugly ones are seated in the lounge-room, relaxing. There is a knock at the door.

Sound effect of loud door knock.

NATASHA:

There's someone at the door, Esmerelda.

ESMERELDA:

Why don't you get it, you big fat ugly toad?

NATASHA:

Don't you call me a big, fat, ugly toad ... you ... you ...

The sisters start fighting. Cinderella interrupts.

CINDERELLA:

I'll get it girls.

They both stop fighting and glare at Cindy.

ESMERELDA:

You'll get it! Scrub the floor you little wimpy!

NATASHA:

Like fun you'll get it!

Sister Action Bit:

1. Stop 2. Open palms to each side of head as if in shock 3. Open-mouthed deep breath 4. Short Squeal 5. Jump turn to face each other
